

Welcome To The
2015

May 27th, 2015
Center For Performing Arts & Education

Schedule Of Events

5:30-6:30 Reception

Enjoy appetizers prepared by our fabulous catering class, and watch as they do live cooking demonstrations. Also, be sure to walk around and take in some of the projects that our students have been working on at DHS.

6:30-7:00 Doors Open To The Theatre

Come on in and have a seat, as the show is about to begin. Don't forget on your way to your seat to take a picture in front of our DHS Film Festival backdrop. If we call it "A Night On The Red Carpet" we have to give you the whole experience. Say Cheese!

7:00 Film Festival Begins

Please silence your cell phones but don't turn them off; you will need them. Also, please be courteous and silent during the show. You wouldn't want to miss all the hard work these students have put in, would you? Sit back and enjoy! **Please be advised that some of the films you will be watching are of a mature nature.**

After The Final Movie Has Aired

We will be having a "Question and Answer" portion for our filmmakers to answer any questions you may have about the process. Details on how to ask questions are on the backside of the program.

Thank you for supporting DHS and our 2015 Film Festival

A Little More About Our Video Production Class

We began back in August with the dreams and hopes of putting on a Film Festival and here we are doing just that. The class this year was comprised of students in grades 10-12, but most of the students are seniors and will be graduating 15 days from now. The Video Production class puts out a weekly Video Bulletin that covers all things DHS. Many of the students are first year students in film and editing, so to say we've learned a lot is an understatement. We are so excited to be able to show you our work, and once again,

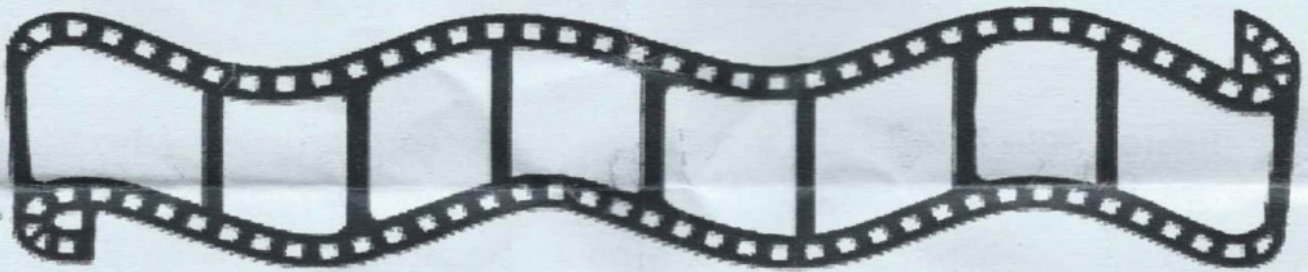

Thank You For Coming!
